

## Launch of Europe's largest woodturning competitions

---

Created for both amateur and professional woodturners, The Worshipful Company of Turners has launched its **2016 Competitions**. Entries will be judged and displayed at Carpenters' Hall in the City of London in October. Also supporting junior turners in schools and colleges, the 2016 Competitions will be the largest event of its kind in Europe.

All entries registered with the Turners' Company by Monday 12 September and received by 11.30am on Tuesday 11 October will be exhibited as part of **Wizardry in Wood**. This is expected to attract several thousand visitors between 12<sup>th</sup> and 15<sup>th</sup> October at Carpenters' Hall.

The Turners' Company competitions are held every two years and every fourth year in conjunction with Wizardry in Wood. The Wizardry in Wood exhibitions were launched by the Turners' Company in 2004 on the 400<sup>th</sup> anniversary of the granting of the Company's Royal Charter in 1604.

Nic Somers, Chairman of the Wizardry in Wood Committee of the Turners' Company said "Following the outstanding success of the 2014 competitions and the large number of marvellous entries, we look forward to providing a platform for the very best in the craft to be shown at the Wizardry in Wood exhibition in October".

Woodturners in the UK and abroad are invited to **pre-register their interest** in the 2016 Competitions through Eventbrite **to automatically receive news and information** about the Competitions. Only their name and email address are needed. There is no cost to register or commitment to enter any of the competitions.
