

Ryedale Woodturners

News Bulletin 8 - 22 February 2026

Hello all

Hands On / Training evening Thursday 26 February

I am looking forward to another of our in-house training sessions this week at Snainton Village Hall. We will have 7 lathes, with 7 tutors, 7 kits, 7 sacks, 7 cats, ... sorry I got carried away! None are going to St Ives, but there will be 7 lathes with 13 participants and 7 "tutors". If anyone would like to call in just for an evening out, a chat, a look at what people are up to, a cup of tea and a biscuit, feel free to join us. The evening is scheduled for 7:00 – 9:30 pm.

Redmill Timber Shop Opening Days – Friday 17 and Saturday 18 April.

Simon tells me preparations for his woodworking shop opening are going well. He sent me a photo of the latest load of timber to arrive, ready for preparing into woodturning blanks.

From Nick Webster:

A set of 6 Christmas crackers (a family request) made from Iroko firewood, based on excellent instructions in Woodturning issue 416, p.68.

They all open with a proper 'pop' :-)

And a couple of trophies from [oldfern](#) by Dan. A horticultural trophy in memory of a man who was very passionate about growing and showing onions in the local village show, and a set of golf trophies for a school.
